The Original,
Since 1976!

In 1959, the three eldest Paoletti brothers got on a ship leaving from Abruzzo, Italy with their mother and crossed the Atlantic for 11 days, docking in Montreal and then making the trip to Toronto. Eventually settling in the Willowdale area to be reunited with their father, who had come ahead to secure a job and new home for his family.

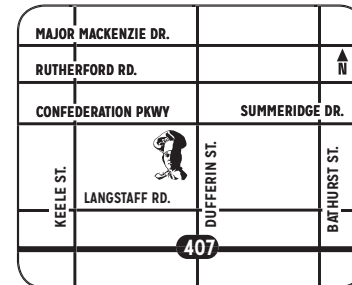

Our Mother's dinner table is what always united our family during the trials and tribulations of a first generation immigrant family's survival in a new country. Her cooking provided us with the strength and health to evolve and assimilate into our adoptive country, Canada. We owe our ideals and passion for good food to her!

In 1976 Dante opened 'Dante's Italian Restaurant' at 267 Baythorn Drive in Thornhill.

So, YES, we are Dante's. The original family and recipes from Baythorn, where it all started over 48 years ago.

The original Dante's location circa 2004.
